After School Club Offer - 2024-2025

Dear Parents/Carers,

I am pleased to inform you that we have agreed our after school club offer for this academic year. These clubs will be free of charge, and will run on selected days until 4pm. We have based this year's clubs on the ones that were most popular last year, along with some specialist areas to support your child's confidence and interests.

- **Gardening Club:** Let's get our hands dirty and grow amazing plants together! 🌱
- **Lego Coding (Year R, 1 & 2):** Build awesome creations and learn to make them move and talk with Lego coding! 🤖
- **Netball Club:** Join our team and score some goals while having lots of fun! 🏀
- **Book Club:** Let's dive into exciting stories and share our favourite characters! 📖
- **Chess Club (Years 3-6):** Become a chess master and outsmart your opponents in this fun and challenging game! ♟️
- **Mindfulness Club:** Relax, focus, and feel happy with our calming mindfulness activities! 🧘
- **Board Games Club:** Play exciting games with your friends and have a blast! 🎲
- **Science Experiments Club:** Explore the world of science through fun and exciting experiments! 🧪

Please complete the [Google Form](#) to give your choice of club and we will do our best to accommodate.

Many thanks

Miss Pullen
