Year 2 Residential trip to Stubbington Study Centre

Dear Parents/Carers,

We are excited to share with you information about our Year 2 residential trip to Stubbington Study Centre. This trip has been very popular in previous years and is a wonderful opportunity for your child.

- The trip will take place on Thursday 13th March & Friday 14th March 2024.
- The children will travel by coach from school on Thursday morning and return on Friday afternoon.
- The school has booked for 80 places (40 girls and 40 boys). It will be on a first come first serve basis and payment is to be made via **Scopay** from **9.30am on Tuesday 1st October**.
- Children who do not go on the trip will do similar activities back at school; they will not be required to wear school uniform for the two days and will work with members of staff who are not going to Stubbington.
- Staff will accompany the children for the two days and stay overnight with them, Mrs Richardson will also be going.
- Staff have already visited the Study Centre and a full written risk assessment will be undertaken again this year.
- The children sleep in small dormitories. There are shower facilities and all meals and snacks are included.
- All meals are catered for on-site and children with particular medical conditions/dietary requirements can be accommodated.
- A range of outdoor activities have been planned for the children to undertake including shelter building, map-reading, environmental games and badger watching!
- The cost of the trip is **£114** and this includes **all transport, food, accommodation and educational activities**. We will require a **non-refundable** deposit of **£38.00 on Tuesday 1st October via Scopay to secure your child's place, this will go live at 9.30am**. This is because places will be allocated on a first come, first serve basis and deposits will be recorded as soon as they are received.
- Further **non-refundable** instalments will then be due by the following dates:

Friday 1st November £38

Monday 2nd December £38

You can choose to pay more throughout these dates via Scopay, as long as you have paid the balance amount by the instalment dates.

- The aim of the trip is to encourage and promote children's confidence, independence, self-esteem and co-operative skills using the outdoors and overnight experience. It has been a huge success in previous years and is remembered fondly by former pupils.

Please do not hesitate to share any questions or queries about the trip. We are looking forward to this exciting opportunity!

Kind Regards
Mrs Richardson
