A King's Group Academy

Headteacher: Mrs R Carlyle

Monday 10th February 2025

Year 5 International Collaboration

Dear Parents and Carers,

As part of the King's Group Academy Trust, we have access to a range of exciting and rewarding experiences not just within our own school, but also across the trust and beyond. King's Group Academies promise to provide their students with opportunities and success on a global stage. Through their International Dimension, we are pleased to inform you that your child will be taking part in a partnership project with Year 5 students from Amity International School in Abu Dhabi next term.

The project will begin with a Zoom meeting to introduce ourselves on **the week beginning 24th February 2025**. It will then run for 4 weeks of the Spring 2 term 2025. During that time, the children will meet and get to know their peers in Abu Dhabi during live online Zoom sessions and via recorded messages, in which they will join in small groups with teachers from both College Park and Amity. Between sessions they will be working on shared projects in which they will learn about each other's schools and wider communities.

Such international partnerships not only support the teaching of the National Curriculum, but they also offer a dynamic approach to collaborative learning and provide experiences to learn about other countries, cultures and people in a real and personal way.

Should you wish to know more about our International Dimension and future opportunities for your child, please contact our International Director, Louisa Perkins at louisa.perkins@kingsacademies.uk.

Please provide permission for your child to participate in the live Zoom sessions under the guidance of their teacher by completing the Google form using the link below. Without this completed, your child will miss out on this exciting opportunity.
