## King's Academy College Park

A King's Group Academy

Headteacher: Mrs R Carlyle

Tuesday 7th January 2025

Dear Parents/Carers,

We're delighted to inform you that King's Academy College Park School (Juniors) has retained its Good judgement in our latest Ofsted inspection.

There's been a lot of hard work behind the scenes to maintain this judgement, and we're thrilled that the hard work of all our staff has been recognised. I'm sure you'll join me in congratulating everyone who works and volunteers at our school.

I want to draw your attention to the following feedback we received:

- Pupils speak very positively about their school. They live by the school's values each day by showing independence and kindness to one another
- Pupils develop keen interest, curiosity and enjoyment in their learning
- Pupils receive a good-quality education
- The school carefully considers the needs of its pupils when designing its offer for personal development.

I also want to personally thank everyone who completed Ofsted's Parent View survey. This is such valuable feedback, and we will read every comment as we continue to work to make the school the best that it can be.

You can access the report in full here - [Inspection of King's Academy College Park \(Junior\)](#)

While we are thrilled with this recognition, we are also committed to continuing our journey of improvement. The inspectors have provided constructive feedback, which we will use to ensure that King's Academy College Park becomes an even better place for our children to thrive and achieve their full potential.

Thank you once again for all the support you continue to give the school.

Best wishes,

Mrs Carlyle  
Headteacher
